\* It is a condition of our funding agreement "that priority of access goes to children in the year before school," and we are funded for children who are in the year before school.

So children going to school in 2021 will be given first offer of a place, and then, applications from children younger than school 2021 age will be considered.

**Please note:** We will be aiming to fulfil the above request for 2020 enrolment, if possible. You will receive a letter by November with information regarding a possible offer of a place for your child. However, please keep in contact with Preschool, until this time, to confirm your continued request to be on the waiting list.

Please tick if you would be happy to receive your letter of offer via email.
